

Nominate Teacher and Staff Member of the Month!

Certificated and classified staff play an important role in the lives of young adults, families and society. Each month we would like to recognize one outstanding certificated and classified staff member at Golden Valley High School and highlight her/his achievements.

The Golden Valley High School Staff Members of the Month awards have been established to recognize outstanding people for their dedication, professionalism and work. Those receiving these awards will be nominated by the students, parents, administrators, and colleagues for excellence in their classroom and/or the school.

Nomination forms are also available in the front office. The Teacher and Staff of the Month will be rewarded with a Certificate of Excellence, recognition at the school and on the website, article in the newsletter, and an award of \$50 for school purposes.
