

**AP CHEMISTRY
2011/12**

GRADING

60 % TESTS, QUIZ, EXAMS

20 % NOTEBOOK CHECK

20 % EXPERIMENTS

ITEMS NEEDED.

- 1 in. binder . (bring it 1st day of classes)
- 1 notebook 200 pages. (bring it 1st day of classes)
- Graphing or scientific calculator.
- Graph paper.
- Three different color pens
- Pencils
- Princeton AP CHEMISTRY BOOK (amazon, used one will be ok if you don't have \$40)

EXPECTATIONS.

- Chemistry is not an easy class. The class requires daily textbook reading, master the skill of solving word problems and memorizing formulas.
- Many students who were not pursuing a Medical, Nursing, Engineering or Science related careers were not successful in the class.
- If you do not learn the basic principles of chemistry, the class will be very difficult.
- Lecture will start the first day of school.

EXPERIMENTS.

- There are 16 required laboratory experiments during the school year.
- The minimum number of experiments that you will perform is 6 per semester.
- The experiments will be perform on every other **Saturday**.
- I want you to be aware that you have to attend school on Saturday in order to do the experiments.

MEMORIZE THE POLYIONS ON THE NEXT PAGE

MEMORIZE THE FIRST 20 ELEMENTS (ATOMIC NUMBER, ATOMIC MASS, SYMBOL)
